MISSION
Our staff at Lakewood Counseling help individuals and families achieve wellness and be an educational and recovery resource to the community.

Professional assessment, qualified treatment and evidence-based practices are the foundation of the services we provide.

SERVICES
Our psychologists, nursing staff and counselors participate in a complete holistic screening for all our clients.

INDIVIDUAL & GROUP COUNSELING
Our compassionate team of mental health professionals will help our clients identify their strengths, manage symptoms, overcome past grief and trauma, and build stronger life skills, relationships and supports.

PSYCHIATRY
Highly skilled psychiatrists and nurses to support, strengthen and enhance people’s mental health. Our psychiatrists provide assessments and prescribe, monitor and educate clients about medication for treatment.

PSYCHOLOGICAL TESTING
The administration of a standardized test to measure cognitive ability, aptitude, emotional functioning and personality is available.

ADULT TRAUMA SERVICES
Help people recover from traumatic events such as an accident, violent crime, death of a loved one or other life-altering incident. We also assist adults resolve traumatic childhood events.
